

RADAR INSTRUCTOR COURSE

The Alabama Department of Public safety will be hosting a Radar Instructor Course in Selma AL, at the Alabama Criminal Justice Training Center (Aug. 18th thru 22nd). Class size will be limited to 20 slots on a first come first served basis. Meals, lodging and cost of course is \$400.00.

This course will improve your knowledge of Radar speed measurement devices and give you the instructional tools to present Radar training programs to other members of law enforcement.

You will learn the different scientific principles behind these devices and their proper application within the overall speed enforcement program. In addition, we will cover the various aspects of equipment use such as testing and verification protocols, case law, health issues, and many other operational considerations.

Through practical exercises using a variety of different units, you will be exposed to the latest technology in the field. You will also take part in teaching exercises that emphasize the need for complete equipment familiarity on the part of the operator.

Topics include:

- Time, distance, and speed measurement
- Scientific principles of Radar
- Operational considerations
- Case law and administrative rules
- Preparations for court presentation
- Theories of adult teaching and learning
- Four-step teaching process
- Practical exercises and written exams
- Classroom presentations

Equipment needed:

RADAR

RADAR Manual and Department Policy (if one is available)

Current Radar Operator Certification
